Panel Profile

Material	Standard Widths	Optional Width
24 ga. Steel	12-3/4", 18-1/4"	14-3/4"

22 gauge steel available in minimum quantities. Consult MPSI for costs and lead times.

Oil canning: Metal Panel Systems, Inc. purchases prime commercial grade light gauge metal which is manufactured to all industry accepted tolerances. "Oil canning" is an inherent part of light gauge cold formed panels and is not cause for rejection.

Panel Clip

Standard Tee-Clip

Optional Surface Patterns*

Striated

2 Pencil Ribs

2 Bead Ribs

*Pattern notes:

1. Tapered panels available smooth only.
2. 12-3/4" wide Curved Tee-Panel available smooth only.
